Assisting the priest during Mass is an important ministry filled by dedicated youth. They are committed to serving God and the parishioners of Holy Trinity. The primary role of the altar server is to assist the priest in the celebration of the liturgy during Mass. Servers carry the cross, and the processional candles, hold the book for the priest when he is not at the altar, carry the incense and censer, present the bread, wine, and water to the priest during the preparation of the gifts, or assist him when he receives the gifts from the people, wash the hands of the priest, assist the priest celebrant and deacon as necessary. If you would like to be an Altar Server, please call the Parish Office.

The primary role of a lector is to proclaim the Word of God from the Holy Scriptures. Lectors assist the priest by reading the First Reading, Second Reading, and the Prayers of the Faithful during Mass. Not only should lectors be effective communicators comfortable with public speaking, but they should also be conscious of their role in expressing God's Word to the rest of the parish community present at the liturgy. If you would like to be a Lector, please call the Parish Office.
